

## PHARMACY TECHNICIAN PROGRAM HEALTH SCIENCES DEPARTMENT

## What you need to know

Pharmacy Technicians work under the supervision of licensed pharmacists in the systematic operation of the pharmacy by providing healthcare services and medications to patients. This program will provide you with the skills needed to obtain an entry-level position in most pharmacy settings.

There is no application for the program. Apply to the SRJC and complete any prerequisites before registering for the core classes. There are health requirements for clinical internships/externships.
